

## Certificate Request Form of Education Program of Disaster Mitigation and Recovery Design

I will fulfill the requirement of the course works listed below and would like to request the certificate of the Education Program of Disaster Mitigation and Recovery Design.

Name \_\_\_\_\_

Department \_\_\_\_\_

Thesis Title \_\_\_\_\_

check the course you got (will get) a credit.

	Course	unit	Dept.	course	
				A	B
	Seminar on Flood Disaster Mitigation	2	common	M	
	Flood Disaster Simulation	2	civil	C	R
	Monitoring/control of Natural Disaster	2	civil	C	R
	Hydro-Resistant Building Structures	2	arch.	C	R
	Structural Reliability	2	arch.	C	R
	Urban Disaster Management	2	urban	C	R
	Regional Safety System	1	urban	C	R
	Urban Redesign Studio	4	common		M
	Colloquium for Master's thesis	1	common	R	C
	Architectural Design 1B/2B	4	arch.	R	C
	Urban Redesign Study	2	urban	R	C
	Advanced River Engineering	2	civil	R	R
	Coastal Hydrodynamics	2	civil	R	R
	Advanced Hydrology	2	civil	R	R
	Natural Disasters and urban disaster management	2	civil	R	R
	Architectural Planning for Disaster	2	arch.	R	R
	Risk Management of Urban Flood Disaster	1	urban	R	R
	Fundamentals of Water Pollution Control	2	urban	R	R
	Appropriate Technology for Env. Sanitation	2	urban	R	R
	Advanced course in urban design III	2	urban	R	R

\*Course A: Mitigation strategy against Major Flood Disaster, Course B: Recovery Design for Urban Sustainability  
In the table, M, C and R are courses of compulsory, core and recommended.

\* To complete the program, you need to fulfill the requirements of either A or B.

\* Requirements of course A and B: Get 12 credits or more out of the courses listed above. Get a credit of M and 3 credits from core courses.

\* Besides the credits above, all the candidates are requested to give a presentation of their master/doctor thesis study.
